Reissue Applications

Allowable Subject Matter

The indicated allowability of claims 16-30 is withdrawn in view of the newly discovered defective oath. Rejection follows.

The reissue oath/declaration filed with this application is defective (see 37 CFR 1.175 and MPEP § 1414) because of the following:

The duty to disclose language in the declarations for this reissue isn't consistent with 1.63. It says "material to the examination of this application" rather than "material to patentability."

Claims 16-30 are rejected as being based upon a defective reissue declaration under 35 U.S.C. 251 as set forth above. See 37 CFR 1.175.

The nature of the defect(s) in the declaration is set forth in the discussion above in this Office action.

In accordance with 37 CFR 1.175(b)(1), a supplemental reissue oath/declaration under 37 CFR 1.175(b)(1) must be received before this reissue application can be allowed.
